Sunset Hills	If you don't see your community listed, it is most likely due to one of the following reasons:
Unincorporated South*	• ***There is already a long waiting list for your municipality.*** Once the waiting list for a municipality reaches a certain length, the municipality is removed from the list until enough applicants are served that the waiting list is shorter. This list is updated every month, so you may want to check back regularly.
Valley Park	• ***Your municipality may not currently participate in the Home Improvement Program.*** Most municipalities in St. Louis County receive an annual allocation of Community Development Block Grant (CDBG) funds that can be used for a variety of different activities. Not all municipalities allocate their CDBG funds to the Home Improvement Program.
Webster Groves	• ***You live in Florissant.*** Due to its population size, Florissant receives its own CDBG allocation directly from HUD; therefore, it does not participate in St. Louis County's program. For information about Florissant's Home Improvement Program, call 314-839-7680.
